FOLIOX

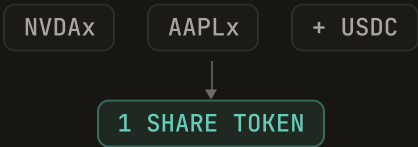

THREE STEPS. ONE TRANSACTION.

I · CREATE

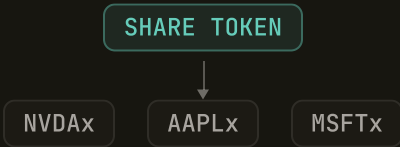

Weights fixed at creation —
immutable forever.

II · MINT

Deposit the underlying stocks
— receive one token.

III · REDEEM

Burn it anytime — no oracle,
no pause button.

Fees capped 3 / 1 / 3 — 90% to the basket creator.

WHY SOLANA · WHY CRYPTO

ONLY POSSIBLE HERE. ONLY POSSIBLE ONCHAIN.

SOLANA

xStocks are native Token-2022.
Sub-second settlement, cent fees.
A whole basket in one transaction.

ONCHAIN

Self-custodied vault.
Permissionless exit, 24/7.
Share tokens compose with all of DeFi.

THE ASK
